

**Play Nice at School:  
Keep My Hands to Myself**

Hi, my name is

\_\_\_\_\_

(student name).

I go to school to learn  
and have fun with my  
friends. It's important to  
play nicely and keep my  
hands to myself so my  
friends have fun, too.

When I am at school, I will remember to keep my hands to myself. This means I won't touch my friends without asking first.

When I get upset, I will  
keep my hands to myself  
and take a deep breath.

If I need help, I will  
ask my teachers.

I will use my hands to play  
with toys, draw pictures,  
and give high-fives.

When I keep my hands  
to myself, my friends feel  
happy and safe around  
me. I will work on playing  
nicely every day.

Remember, it's important to play nicely and keep our hands to ourselves at school. Let's have a great time learning and playing together!
