RISE 2023 Assessment Overview & Design

Assessment Overview

• Lavinia Group has created pre- and post-assessments in Math and ELA for all students in Rising 1–Rising 9th grade this summer.
• Lavinia Group will provide scoring guides and aligned rubrics as well as virtual professional development training on how to administer and score the assessments.
• All assessments will be administered through Edcite, a widely-used assessment platform. The data will be available for school leaders to analyze.
• We recommend assessments are administered digitally, but if needed can also be administered via pen and paper.
• The assessment aligns to the State Standards Map provided by Lavinia Group.
