One Education Platform, Endless Opportunities

We offer access to everything you need to excel in your teaching career—and make an even bigger impact in the classroom. Deepen your knowledge, advance your salary, learn techniques that can be applied next-day in the classroom, earn credits toward a master’s or doctorate degree, renew your license and gain new confidence—all at Teaching Channel. Whichever pathway you choose, our team of trusted advisors will be available to offer personalized feedback and guidance every step of the way.

Professional Learning Model

We design our courses to elevate professional growth and impact, which are the heart of our framework. Teaching Channel recognizes the learning process as an ongoing cycle, characterized by the following phases:

Professional Learning Model

ELEVATE Courses provide a dynamic balance of knowledge-building and skill-building opportunities, followed by practical application and integration into your professional practice. Each self-paced course features research-based materials, video clips, and interactive elements to enhance and support learning.

- Activate prior knowledge in order to establish new learning goals.
- Access research-based resources and materials to deepen your understanding and broaden your skill set.
- Participate in a variety of assignments that encourage the implementation of new learning in your classroom or school setting.
- Research solutions to challenges, answer lingering questions, or explore additional topics that spark your curiosity.
- Assess professional growth, and consider the potential impact of newfound knowledge and skills.
- Engage in student-to-student interaction in a discussion forum as well as teacher-to-student individual feedback

Continuous Improvement

Each course is reviewed annually, informed by participant feedback, current research available on the topic, insights from our University Partners, and new opportunities to show learning through implementation.

Course Development and Evaluation

ELEVATE courses are created and evaluated by educators with a master's degree or higher in an education-related field and five or more years of classroom experience in PreK-12 education. Course evaluators provide personalized, specific feedback for submitted assignments and rubric-based grading aligned with best practices in professional education.

University Partners

Continuing Education courses are approved by our regionally accredited (HLC, NECHE, WSCUC) partners. Many also hold CAEP accreditation. All partners review syllabi, content, and coursework expectations. A current list of university partners is accessible on our [website](#).

Degree Eligibility

Each University Partner has provided documentation to indicate that our courses are degree eligible. Memos identify the number of credits earned through completion of Teaching Channel courses that are eligible toward the education Master's Degree at the partner university.

**Per standard practice in the field, each course credit carries the equivalent of fifteen hours of content and coursework. To receive credit, participants must complete all requirements according to expectations outlined in course rubrics.
